# Endless Possibilities!

Furniture Design Gallery offers more style, more selection and more value. Your choice of distinguishing design elements include hidden TV features, elegant crown moldings, impressive corbels, eyebrow arches, keystone accents, custom TV frames, coordinating speaker fabrics and more!

# Discover True Entertainment

At Furniture Design Gallery we custom build exquisite furniture with detailed perfection! Never a follower, we continuously strive to lead the way by creating designs that will set new standards for graceful living.

Our wonderful furniture pieces are designed and hand crafted by Master Artisans to create a work of art that is uniquely yours.

# Old World Craftsmanship

Furniture Design Gallery's furniture pieces reflect a singular level of quality.

Our pieces are made using the finest materials and we practice enduring time honored construction techniques. We are extremely proud to offer our "Made In The USA" Custom Furniture Pieces.
